## Top 10 Messages Against Legalization

### 1. Marijuana legalization will usher in America's new version of "Big Tobacco."

- x Already, private holding groups and financiers have raised millions of dollars to promote businesses that will sell marijuana and marijuana-related merchandise.
- x Cannabis food and candy is being marketed to children and are already responsible for a growing number of marijuana-related ER visits. Edibles with names such as "Ring Pops" and "Pot Tarts" inspired by common children candy and dessert products
- x Several, profitable vending machines containing products such as marijuana brownies are emerging throughout the country
- x The former head of Strategy for Microsoft has said he wants to "mint more millionaires than Microsoft" with marijuana and that he wants to create the "Starbucks of marijuana."

### 2. Marijuana use will increase under legalization

- x Because they are accessible and available, our legal drugs are used far more than our illegal ones. According to recent surveys, alcohol use is used by 52% of Americans and tobacco is used by 27% of Americans. Marijuana is used by 8% of Americans.
- x When RAND researchers analyzed California's 2010 effort to legalize marijuana, they concluded that the price of the drug could plummet and therefore marijuana consumption could increase

### 3. Marijuana is especially harmful to kids and adolescents.

- x Marijuana contributes to psychosis and schizophrenia for 1 in 6 kids who ever use it once and reduces IQ among those who started smoking before age 18.
- x According to data from the 2012 National Survey of American Attitudes on Substance Abuse, alcohol and cigarettes were the most readily accessible substances for youth 12 to 17 with 50% and 44%, respectively, reporting that they could obtain them within a day. Youth use
